

**CPX 3540B** is an outdoor RGB LED compact linear wash bar. It is designed with a very dense 54 bright LEDs and wide angle of 60° in a small body of 35.9 cm to ultimately serve architectural uplighting and wash outdoor applications.

**SOURCE** Light source: 54 x 3 watts RGB SMD LED

**OPTICAL SYSTEM** Lens: 10 x 60°

**DYNAMIC EFFECTS**  
 Dimmer: 0-100% linear adjustment  
 Color mixing: RGBW  
 Variable color chasing  
 Strobing and fading effect  
 55 built-in color macros

**CONTROL & PROGRAMMING**  
 Control protocols: RDM, DMX, Master Slave, Auto  
 IR remote control  
 Display: 4 button LED Displayer  
 Control channels: 3, 5, 8, 13 Chs

**ELECTRICAL**  
 Input voltage: 100-240V/50-60Hz  
 Power consumption: 54 watts

**CONNECTIONS** DMX connections: IP rated 3 PIN XLR cable

**PHYSICAL**  
 Dimensions: 359 x 53 x 81mm  
 Net weight: 2.1 Kg  
 Color: Black  
 Housing: Aluminium  
 IP rating: 65  
 Operating temperature: -20°C/40°C
