

CYCLOPS LIGHTING

SPARKLY LED 660P is a 660 watts LED moving head profile with four rotatable shutter blades. It features a CMY color mixing, a set of static and interchangeable rotatable gobos and a rotatable prism for a wide variety of patterns and designs. In addition to the loaded dynamic features, it offers a wide zoom range from 6 to 39 degrees, Iris and a CTO filter (3200-6000K) making it the versatile and perfect fit moving head profile for theatrical and studio applications, as well as concerts and band events.

SOURCE Light source: 660 watts white LED
LED life expectancy: 20000 Hrs.
